

Topics for Discussion – Conference Call week of August 25, 2014

- I. Recap/Reset from August 18, 2014 Meeting
- II. Large Group Meeting
 - a. Date(s)/Location
 - b. Goal
 - c. Topics
- III. Small Group Meeting(s)
 - a. Next Face-to-Face Meeting
 - b. Topics – see list below from 8/18 meeting
 - c. Goals/End Points needed for Large Group Meeting

Small Group Discussion Items (covered at 8/18 meeting). These were specific topics raised at the meeting that need to be discussed in more detail in Small Group Meetings

- Uses of Capped Landfill Areas
 - Extent of Uses
 - Controls
 - Access (be as descriptive and limiting as possible – i.e., gates, etc...)
- Definition of Specific Areas to be Developed on Site – acreage, infrastructure needs, type(s) of development, etc....
- Use of Ash from Performance Paper Site at OU-1 – how much is available, access to material, release of liability (if needed), etc....
- Panelyte Property – define key areas/needs such as: impacts from/by OU-1, potential stormwater management areas, development areas on the property (acreage, types, etc...)
